WE LOVED IT!

ANKITA PATEL, 23
It was a fabulous evening and my throat is hoarse from all the cheering I did for my friends on stage. Thank you Ahmedabad Mirror for such a great evening.

RJ EKTA SANDHIR
This was one of the most entertaining talent hunts I have ever been to. The performances were rocking and this is a great initiative by AM. I am looking forward to more such talent hunts.

HARDIK AGRAWAL, 19
This was the first time I performed in front of a huge audience. It was a thrilling experience. I loved each minute of it, and I am sure I can do much better the next time. I will be better prepared.

Talent by day, talent by night
Students of Silver Oak College of Engineering and Technology turned the night into a stage

TWEETS @ahmedabadmirror

It was a starry, starry night as AM Talent Hunt Season 2 landed on the Silver Oak College of Engineering and Technology campus late on Friday. It was one of the few colleges where we saw more than 100 students participating and the hunt continued into the wee hours of Saturday!

ATTITUDE Devils and angels all.

The student anchors were hilarious, leaving judge of the day RJ Ekta in splits. Youngsters showcased a variety of talent through dancing, singing, drama, ramp walk and a lot more. The buzzing audience did not fail to root for the contestants, cheering on for their friends. The group performances were the highlight of the show, with a number of them dancing on Bollywood songs. Fourteen acts found a place in the next round.
