

Grab the big fat package with "SOCET"

Article published in Ahmedabad Mirror dated 24/5/2014 .

E-Cell

With the abundance of floating talent and a plethora of ideas waiting to be tapped, it was time SOCET created a conduit for students to expose themselves to the world of entrepreneurship. Thus came into being the Entrepreneurship Cell of SOCET in the year 2013. With a variety of events and activities SOCET provide ample opportunities for both the members and the non members of our E-Cell to develop their potential.

SILVER OAK COLLEGE OF ENGINEERING & TECHNOLOGY

BLOCK B

With more than 75% of its first graduating batch placed in the industry, Silver Oak College of Engineering (SOCET) has stood among the top five engineering colleges affiliated to Gujarat Technical University (GTU). The college stood sixth among the 126 colleges in BE final year 2013 results and 2nd in IT sector. The stupendous growth within five years of establishment has positioned SOCET as premier institute of Ahmedabad. The college is known for its high standards in teaching and research due to talented pool of faculty members.

Chairman, SOCET, Shital Agarwal, said, "Strong commitment to excellence in teaching and research has made the institute, a role-model and path-setter for other Institutes as well. Its rich academic tradition has always attracted the most talented students who later on went on to make important contributions to their society."

The four-year long program utilizes the wealth of innovation and knowledge to create new and enriching professional and personal pathways for the next stage of life. The college runs five academic departments with 2816 regular students.

"The college unique curriculum along with hands-on practical training has helped institute students getting jobs in the industry. It is the only college in Gujarat that has ""Apple Lab and it is registered as official developers under iOS developer university program. More than dozen students of the college have landed in jobs due to apple software training," said Agarwal. The college also has well-equipped high-tech air conditioned labs namely, Robotics, Electronics & Logic Circuit, Earth Quake Engineering Lab, Computer Lab have been set up for students of all streams.

Students are regularly motivated & guided to face global challenges. The college for the first time participated in the SAE-BAJA All-Terrain Vehicle race and stood second among engineering colleges of Gujarat.

GRAB THE BIG FAT PACKAGE WITH "SOCET"

Training and Placement

- Well facilitated cell with board room, video conference hall, defined personal interview rooms, 140 seater seminar hall for the pre-placement activities.
- Almost 75% of the foundation batch placed in reputed companies.
- The Institute Industry Interaction Cell is governed by the Chairman, Managing Director, Head of the Departments along with the Training and Placement officer and various TPO co-ordinators.

Hiring companies include:

□ E-Infochip	□ Squad Technologies
□ DRC System	□ Cypher
□ Ramboll India	□ Incorporated
□ Hindustan CocaCola	□ Customs Apps
□ Sarjan System	□ KJWW Engineering
□ E-Clinical Works	□ Thakkar Technologies
□ Universal Hunt	□ Kumar Mesh Wire
□ Webquikr IT Facilitator	□ Zeus Learning
	□ Unisys

Vision

- To be a lead provider of globally - competitive professionals with sound knowledge.
- To nurture and sustain academic excellence as well as programmed to promote abilities to analyze, experiment and synthesize.
- To foster academic - industry / professional synergies and to forge strategic upward mobility.
- To impart purpose based education and create an ethos for research of relevance.
- To contribute to social and industrial development of the region.

Courses Offered

- BE Information Engineering
- B.E. Computer Engineering
- B.E. Electronics & Communication Engineering
- B.E. Mechanical Engineering
- B.E. Civil Engineering
- B.E. Chemical Engineering
- B.E. Electrical Engineering
- M.E. Computer Engineering
- M.E. Electronics & Communication Engineering
- M.E. Mechanical Engineering
- M.E. Information Technology

Mission

- To establish a technology incubation center, Software Development Park and e-training facility.
- To strengthen ties with industries, professional societies, accrediting bodies that share common goals and responsibilities.
- To establish a campus for international students in academic collaboration with premier institutions.
- To provide state - of - the - art facilities for all facets of professional training.

Apple Lab

We are moving into a new era of mobile computing, one that promises greater variety in applications and faster networking. Commercial organizations regularly bind with educational institutions to foster innovative research - sometimes at the basic level - that can lead to breakthrough solutions. Apple Lab was established on 28th Sept - 2012 and was inaugurated by GTU Vice Chancellor Dr. Akshai Aggrawal. With this lab, the institute plans to impart knowledge of the technology developed by Apple Inc. to the students and collaborate with industry for various software development tasks.

Robotics Lab

- Under our tagline "We think about your future", we do take care of developing and shaping up student's career in academics as well as in technical aspects also.
- Keeping this thing in mind we have developed "ROBOTICS LAB" in our campus which is the first laboratory developed in an engineering college in all over Gujarat.
- Robotics lab was founded by our Hon. Chairman Shri. Shital Agarwal and inaugurated by our Honorable GTU Vice Chancellor Dr. Akshai Aggarwal on January 16th 2012.
- The lab is equipped with eleven highly configured computers, high speed internet connectivity and LAN connectivity.

SOCET also organises cultural fest called JUNOON for providing platform to display their cultural skills at very large level

Students of SOCET have won many laurels at national level in sports, engineering competitions and for their innovations

There are 21 digitally equipped class rooms with interactive white boards, projector and sound system for digital learning system. First time implemented in any engineering college in Gujarat.
