

SILVER OAK COLLEGE OF ENGINEERING & TECHNOLOGY

TRAINING & PLACEMENT CELL

Silver Oak College of Engineering & Technology, Ahmedabad in association with **Board of Apprenticeship and Training (WR)** has organized a Pool Campus interviews – “**Bharti Mela -2014**” on **26th August, 2014** Tuesday for graduates and diploma pass outs in Engineering / Technology / Pharmacy / Architecture / HMCT for their engagement as Graduate / Technical Apprentices under the Apprenticeship (amendment) Act, 1973

The drive is being organized with a view to facilitate a large pool of fresher to establishments for their engagement as apprentices on one hand and also to facilitate the candidates to select the establishment of their choice to undergo apprenticeship training on the other hand.

Companies like **Adani Power Ltd, Wlspun Corporation Ltd, GMDC, GSRTC, Alpha Nippon Innovative Ltd, Adaptive Technologies, Vmukti Solutions** have participated and done their selection process. More than **650 students** have received an opportunity for their engagement as Graduate / Technical Apprentices under the Apprenticeship (amendment) Act, 1973

“**Bharti Mela – 2014**”, makes available to the freshers an opportunity for undergoing one year duration ‘**on the job**’ training under The Apprentices Act, 1961 (as amended in 1973 & 1986). This training enables the freshers to acquire skills and competencies required in the world of work, thereby enhancing their employability.
