<b>Date</b>	<b>:</b>	10-05-2018
<b>Day</b>	<b>:</b>	Thursday
<b>Timings</b>	<b>:</b>	01:30 p.m. to 02:30 p.m.
<b>Nos. of Students</b>	<b>:</b>	70 students approx. from 6 <sup>th</sup> semester attended the session.
<b>Session Conducted by</b>	<b>:</b>	<b>Asst. Prof. Nikhil Tolwani</b> <b>Lect. Madhav Bhatt</b>

### Session:

The session began sharp at 01:30 P.M. with a brief introduction by our Head of Dept. – Asst. Prof. Mrunalini Rana about the content of the session, importance of final year project, procedures, and the value of summer internship. Further, Asst. Prof. Nikhil Tolwani continued the session with an interactive presentation about why the students are required to conduct major project and what are the necessities and outcomes of the project. Ample of examples were given to ensure that students get a clarity and feel motivated to pursue their area of research diligently.

Thereafter, Asst. Prof. Yamee Thakar invited our guest, the Dean of Academics (SOGI) – Dr. Shital Shah to address the students. Dr. Shital Shah explained to the attendees regarding how and what their future course of action should be for the upcoming year. She emphasized on the conduct of projects and the topics that can be chosen by students and how a broader idea needs to be narrowed down to be worked upon to culminate into bachelor's thesis.

The session was then presided over by Head of Training & Placement cell – Mr. Nipen Shukla who motivated students for future placements and emphasized on how their summer internship can help them get placed after graduation. He provided ample of facts and cases to make students understand the value of internship and how they must take the opportunity to further their future goals.

After this brief talk, Asst. Prof. Parth Danani addressed the students to introduce the PMMS portal and its use for project documentation. PMMS portal is utmost necessary for registration of students projects.

The session closure was given by Lect. Madhav Bhatt, to provide internship guidelines on how to fill the internship booklet, employee feedback form, Internship Report and presentation and the likes.

The civil engineering department, SOCET has taken this initiative which is first of its kind, where emphasize is given on Summer Internship for which formats are prepared to diligently document the task and get feedback for the same.
